

THE CABIN AT GRAYSTONE QUARRY

The Cabin at Graystone Quarry is the perfect home base for your group of up to 10 guests – your wedding party, concert buddies, family, romantic wedding night, exploring the area, small reunion of friends or an offsite with business associates. Close to everything - but away from it all.

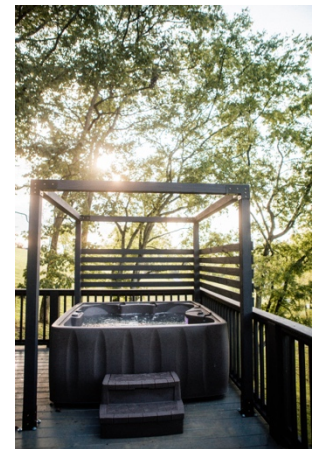

On the northwest side of Graystone Quarry's private 160 acre property, you'll find a vibey mid-century modern cabin nestled in the forest on the back hillside of the 7500 seat FirstBank Amphitheater. You'll feel right at home in this cozy and comfortable space with views of woods, hills and stunning sunsets. The cabin sleeps 10 in 3 bedrooms & 3 bathrooms with lots of open concept hang out space.

The first floor features a stylish master suite king bedroom with direct deck access and a large full bathroom with a clawfoot tub and roomy shower. The second main floor king bedroom is adjacent to a second bathroom with shower. The rest of the main floor boasts an open concept eat-in kitchen, a cozy living room with television, limestone fireplace, and third bathroom with shower and laundry. Step down to a large vibey guest room with 6 twin XL beds and another large screen television.

The spacious covered porch is a great hangout featuring a cozy hot tub for your parties' enjoyment and acres of recreational lawn that lend to a friendly frisbee, football, or soccer scrimmage among friends.

Located conveniently near the intersection of HWYs 65 & 840 on the border of Franklin and Thompson's Station, Tennessee, The Cabin is about 30 minutes from downtown Nashville. If attending an event at Graystone Quarry or FirstBank Amphitheater, or simply exploring Franklin, Thompson's Station, Columbia & the Nashville area, this charming, private, completely renovated cabin will be a memorable part of your trip.
